

## CONVOCATORIA DE CANDIDATOS PARA EL PROGRAMA MIGUEL SERVET 2025

**REF: MS/2025**

La Fundación de Investigación Biomédica del Hospital Universitario de la Princesa está en búsqueda de talento para formar parte de nuestro equipo y contribuir a la investigación de vanguardia.

### **BUSCAMOS:**

Investigadores/as doctores/as con potencial para dirigir líneas propias de Investigación básica, traslacional y/o clínica y dinamizar una o varias áreas del Instituto de Investigación Sanitaria La Princesa.

### **REQUISITOS**

Título de Doctor/a obtenido entre 2013 y 2020 (incluidos). O antes de 2013 según periodos de maternidad/paternidad, riesgo en embarazo, incapacidad temporal prolongada o atención a personas dependientes.

### **QUÉ OFRECE EL PROGRAMA MIGUEL SERVET DEL ISCIII**

- ✓ Incorporación mediante contrato laboral por 5 años.
- ✓ Salario anual de 40.500 € (más actualizaciones)
- ✓ Ayuda adicional de 40.000 € para su proyecto de investigación, que es compatible con la solicitud de otros proyectos de investigación públicos y privados.
- ✓ Tras la evaluación final, se creará un puesto de trabajo de carácter permanente con la categoría de Investigador Titular, con un salario superior de 52.000 € + Carrera profesional y actualizaciones.
- ✓ Incorporación en una de las Áreas de Investigación del Instituto.

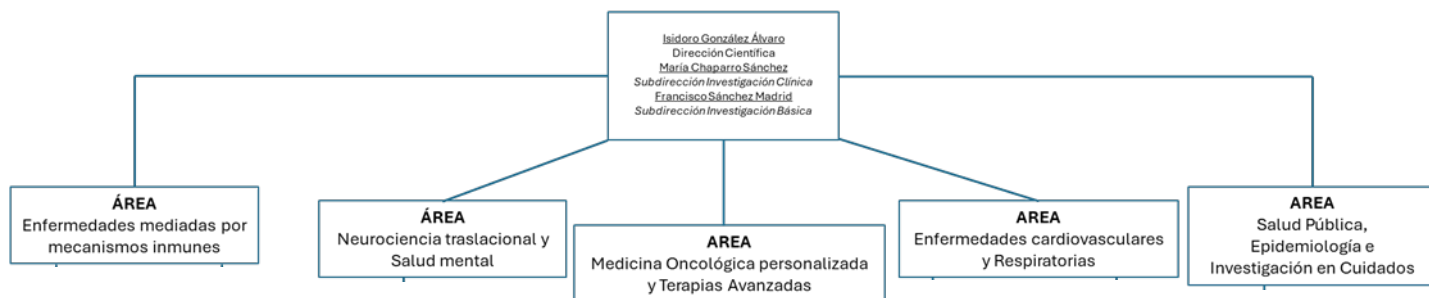

### **QUÉ SE EVALÚA PARA ACCEDER AL PROGRAMA MIGUEL SERVET:**

- ✓ Hasta 10 publicaciones con resultados originales desde 2020 (incluido, ampliable según supuestos) – 45 puntos.
- ✓ Otros méritos (movilidad, FSE, programa completo Río Hortega, proyectos, actividades de innovación y de transferencia, divulgación de ciencia para la sociedad,...) – 25 puntos.
- ✓ Calidad de la propuesta, adecuación de la propuesta al programa, viabilidad y oportunidad – 30 puntos.

## ÁREAS DEL INSTITUTO DE INVESTIGACION

### IIS-La Princesa. Organización científica

## PRESENTACIÓN DE CANDIDATURAS

Los interesados deberán presentar su candidatura a través de email [iis.hlpr@salud.madrid.org](mailto:iis.hlpr@salud.madrid.org) indicando en el asunto **Proceso MS/2025**

Deberán remitir :

- CV abreviado y adaptado a los criterios de evaluación de la siguiente página de esta expresión de interés.
- Propuesta de investigación, indicando:
  - Línea fundamental de tu conocimiento
  - ¿Que área del Instituto podrías potenciar?
  - ¿Como interaccionarías con las otras áreas?
  - ¿Que tecnología o metodología aportarías para fortalecer el Instituto?

La fecha límite de presentación será hasta el día 31 de enero de 2025

**ÚNETE A NUESTRO INSTITUTO A TRAVÉS DEL PRESTIGIOSO PROGRAMA MIGUEL SERVET**

**CRITERIOS PARA LA EVALUACIÓN DEL PROGRAMA MIGUEL SERVET CONVOCATORIA 2024 (orientativo para 2025)**

CANDIDATE: 0-70 POINTS			
PAPERS 2019-deadline call	0-45	10 publications, 4,5 points max./publication Consideration will be given to:	
		<ul style="list-style-type: none"> <li>• Relevance of the article in the field of knowledge (relative place occupied by the journal, narrative justifying citations indicating the date of consultation)</li> <li>• Impact, potential or real, of the results on innovation or basic, translational or clinical application</li> <li>• Place occupied by the candidate in the publication (the first, last and corresponding author positions will be especially valued) and role played in the manuscript</li> <li>• Coherence between the selected publications and the research career and in relation to the proposal</li> </ul>	
Special consideration will be given to those publications that are among the 10% of the most cited worldwide in their area.			
OTHER MERITS	0-25	0-15	Mobility* (after the PhD degree in centers different from those where the degree was awarded)
			0 points   Poor
			4 points   Fair
			8 points   Good
			12 points   Very good
	15 points   Excellent		
	0-5	Projects	
	0-3	Innovation and transfer activities	
	0-2	Society outreach of science	
	0-10	5 points	FSE Diploma
		10 points	Río Hortega Programme + FSE
PROPOSAL: 0-30 POINTS			
QUALITY OF THE PROPOSAL	0-10		
ADEQUACY OF THE PROPOSAL	0-10		
VIABILITY AND OPPORTUNITY	0-10		

\* International mobility. National mobility should be between Autonomous Communities in order to be evaluated. Long research stays without scientific production will not be considered excellent.

10 PUBLICATIONS CONTAINING ORIGINAL RESULTS (2019-deadline call)

Press publications duly accredited by full text and letter from the editor with the date of acceptance of the manuscript (YES)      Chapters of books, supplements, publications submitted or under review (NO)  
GROUP SIGN/CONSORTIUM (NO)

## CALL FOR CANDIDATES FOR THE MIGUEL SERVET PROGRAM 2025

### REF: MS/2025

The Fundación de Investigación Biomédica del Hospital Universitario de la Princesa is searching for talent to become part of our team and contribute to cutting-edge research.

#### WE ARE LOOKING FOR:

Doctors/researchers with potential to lead their own lines of basic, translational, and/or clinical research and invigorate one or several areas of Instituto de Investigación Sanitaria La Princesa.

#### REQUIREMENTS:

PhD obtained between 2013 and 2020 (inclusive). Or prior to 2013 considering periods of maternity/paternity leave, risk during pregnancy, extended sick leave, or care for dependent persons.

#### WHAT THE MIGUEL SERVET PROGRAM OF THE ISCIII OFFERS:

- ✓ Employment contract for 5 years.
- ✓ Annual salary of €40,500 (plus updates)
- ✓ Additional support of €40,000 for your research project, which is compatible with the application for other public and private research projects.
- ✓ After the final evaluation, a permanent employment position will be created with the title of Senior Researcher, with a higher salary of €52,000 + Professional career and updates.
- ✓ Joining one of the Research Areas of the Institute.

#### WHAT IS EVALUATED TO ACCESS THE MIGUEL SERVET PROGRAM:

- ✓ Up to 10 publications with original results since 2020 (inclusive, extendable under certain circumstances) – 45 points.
- ✓ Other merits (mobility, FSE, complete Río Hortega program, projects, innovation activities and transfer, dissemination of science to the society,...) – 25 points.
- ✓ Quality of the proposal, adequacy of the proposal to the program, feasibility and timeliness – 30 points.

## AREAS OF THE RESEARCH INSTITUTE:

### IIS-La Princesa. Organización científica

## APPLICATION SUBMISSION:

Interested candidates must submit their application via email to [iis.hlpr@salud.madrid.org](mailto:iis.hlpr@salud.madrid.org), indicating "**Process MS/2025**" in the subject line.

Submissions must include:

- A brief CV tailored to the evaluation criteria mentioned on the following page of this expression of interest.
- Research proposal, indicating:
  - Your fundamental area of expertise
  - Which area of the Institute could you enhance?
  - How would you interact with the other areas?
  - What technology or methodology would you contribute to strengthen the Institute?

The deadline for submission is January 31, 2025.
